ABOUT ME

I am not being glib when I say I cannot define myself in 400 words or less. I've achieved unimaginable success followed by gut wrenching self destruction but I never quit; I never balk at helping others and still get my work done; I take instruction and criticism in stride; and I love what I do for a living. What makes ME who I am and why I do what I do- my son. Leading by example

EXPERIENCE

Carriage Partners

2019 - 2021

Carpenter/ assistant site mgr

Custom Residential Buider/renovations DemoFraming TnG soffitFireplace/window FramingConcrete repairs Drywall repairsSite managementPunch list Warranty repairs

Post & Beam

2016 - 2016

Carpenter/Superintendent

Took over day to day ops on a \$5 million custom home that was already 9 months behind schedule. In addition to scheduling subs and daily reporting to the Builder (my employer) I was also the intermediary for the owner, developer and architect who was the CM.Assisted subs where needed and framed/reframed multiple projects. Maintained site safety/security and facilitated the C/O being issued 4 months later

Self employed

2014 - 2023

Self

I've done a lot on my own
