ABOUT ME

Industrial construction and systems. I started off welding and through many years of experiences improved my trades capacity as a seasoned journeyman pipe fitter- combo welder/fitter, boilermaker, tankee, vessel fabrication and code welding, millwright, instrumentation, and equipment operation. Stepping beyond my trades scopes, I also am very versed in manufacturing systems -designing&developing.

EXPERIENCE

Absolute Welding and Consulting

2013 - 2024

Operating Manager- Superintendent

Ran work and crews for industrial job shop and production structural steel shop.

IVC
